RELATIVES FOR
JUSTICE

A Thaoisigh, agus British Prime Minister,

We are writing to you as relatives bereaved during the conflict to seek your assurances that our human rights as victims will no longer be disregarded or denied.

As you are aware the legacy of our conflict has not been resolved. The peace process has repeatedly failed to deliver on our rights to truth, justice and accountability.

In 2014 with the signing of the Stormont House Agreement we had hope that at last, we would see human rights compliant investigations, a truth recovery process, proper archiving of lived experiences and an examination of themes and patterns. And we hoped to see important statements of acknowledgement from all actors to the conflict.

On March 18th 2020 the British Secretary of State ignored the wishes of the bereaved and wider society when he unilaterally broke this promise to all victims, affected by all actors to the conflict. Brandon Lewis totally disregarded over 17,000 submissions to the NIO consultation calling for the full implementation of the above legacy mechanisms.

We are further dismayed at attempts to secure an amnesty for British State forces and their agents. Recent comments by the British Secretary of State that he is committed to a form of the Overseas Operations Bill to the island of Ireland are an attempt to justify and continue State impunity. No amnesty can be countenanced. Not for any actor to the conflict.

We the below signed wish to state that the Stormont House Agreement was a compromise, however it offered a human rights pathway to addressing our rights as citizens and as bereaved relatives. This would address the legacy of State impunity and independently investigate all actors equally.

We urge both of you to immediately turn your attention to this matter and fulfil the commitment in the New Decade New Approach document that the Stormont House Agreement be implemented in full without further prevarication or delay.

Is Sinne Le Meas,

A Thaoisigh agus a Phríomh-Aire na Breataine,

Tá muid ag scríobh chugaibh mar theaghlaigh a chaill daoine muinteartha le linn na coimhlinte le do ghealltanais a iarraidh nach ndéanfar faillí a thuilleadh ar ár gcearta daonna mar íospartaigh.

Mar is eol duit, níor thángthas ar réiteach maidir le leagáid na coimhlinte anseo. Arís agus arís eile, theip ar an phróiseas síochána ár gcearta a chinntiú mar atá fírinne, ceart agus cuntasacht.

Sa bhliain 2014, síníodh Comhaontú Áras Stormont agus, sa deireadh, mhothaigh muid go ndéanfaí fiosrúcháin a bhí a bhí ag teacht le cearta daonna, go mbeadh próiseas ann d'athghabháil na fírinne, go ndéanfaí cartlannú ar éispéiris agus go ndéanfaí iniúchadh ar théamaí agus patrúin. Bhí muid dóchasach go mbeadh ráiteas ann ó achan rannpháirtí den choimhlint.

Ar an 18 Márta 2020 rinne Rúnaí Stáit na Breataine neamhaird ar mhianta na dteaghlach a chaill daoine muinteartha leo sa choimhlint agus neamhaird ar an tsochaí i gcoitinne nuair a bhris sé a ghealltanais go haontaobhach do na híospartaigh ar fad ar fhág an choimhlint lorg orthu. Rinne Brandon Lewis neamhaird iomlán ar 17,000 freagra ar chomhairliúchán an NIO a d'éiligh gur cheart na meicníochtaí leagáide thuasluaite a chur i bhfeidhm.

Lena chois sin, tá díomá orainn faoi na hiarrachtaí le maithiúnas a chinntiú d'fhórsaí stáit na Breataine agus dá ngíomhairí. Léiríonn ráitis Rúnaí Stáit na Breataine le gairid go bhfuil sé tiomanta don Overseas Operations Bill a leathnú amach go hÉirinn agus is iarracht sin cosaint a thabhairt don Stát bheith saor ó phionós. Ní ghlacfar le haon mhaithiúnas do rannpháirtí ar bith den choimhlint.

Ba mhaith leis na sínitheoirí thíos a chur in iúl gur chomhréiteach a bhí i gComhaontú Áras Stormont ach gur thug sé slí dúinn trí chearta daonna ár gcearta a éileamh mar shaoránaigh agus mar theaghlaigh a chaill daoine muinteartha leo. Rachadh sin i ngleic le leagáid an Stát a bheith saor ó phionós agus bheadh fiosrúchán neamhspleách cothrom ar na rannpháirtithe ar fad.

Molann muid go láidir don bheirt agaibh bhur n-aird a dhíriú ar an tsaincheist seo agus an gealltanais a chomhlíonadh a bhí sa cháipéis New Document New Approach go gcuirfí Comhaontú Áras Stormont i bhfeidhm go hiomlán gan a thuilleadh moille.
